

Anuj Maharjan

Software Engineer | AWS Certified Developer - Associate

Toledo, OH | 419.494.7550 | anjmhryn1@gmail.com

Summary

Software Engineer with **2+ years of experience** in **scalable web development** using **React.js, Node.js, and Python**. Skilled in **API design, SQL-based data analysis, and full-stack development**. Strong **problem-solving abilities** and **Agile team collaboration**.

Experience

Software Engineer | DigiTechnology Nepal August, 2022 – July, 2024

- Led the development of a **Learning Management System (LMS)**, optimizing the database to support **1,000+ concurrent users** during online exams.
- Built a real-time business dashboard** using **React.js and Node.js**, integrating complex **SQL queries** for data analytics.
- Developed and optimized secure API endpoints** for authentication, user management, and data processing, **boosting response efficiency by 40%**.
- Improved performance** by refining database queries and implementing caching, **reducing API response times by 40%**.
- Enhanced UI/UX** by collaborating with designers and stakeholders, ensuring a **seamless web application experience**.
- Worked in **Agile/Scrum teams**, participating in sprint planning, stand-ups, and code reviews for efficient teamwork.

Software Developer | Kaii Group August, 2021 – July, 2022

- Developed backend services and APIs using **Django Rest Framework** for web and mobile applications.
- Contributed to a **data processing tool**, which automated large-scale data ingestion, improving efficiency by 30%.
- Helped develop **customer relationship management (CRM) software**, with secure authentication and role-based access control.
- Conducted extensive testing and debugging, reducing system downtime by identifying and fixing performance bottlenecks.
- Collaborated with senior engineers to implement **best coding practices, unit testing, and deployment strategies**.

Education

The University of Toledo, MSc. Computer Science and Engineering (concentration in AI) | Toledo, OH 2024 – Present

Softwarica College of IT and E-Commerce, BSc. (Hons) in Computing | Kathmandu, Nepal 2019 - 2022

Certifications

AWS Certified Developer – Associate | Amazon Web Services (AWS) | Issued: March, 2025 | Expires: March, 2028

Skills

- Frontend:** React.js, Next.js, HTML, CSS, JavaScript, TypeScript
- Backend:** Node.js, Django, Django Rest Framework
- Programming:** Python, Java, JavaScript
- Cloud & DevOps:** AWS (S3, Lambda, EC2, DynamoDB, IAM), Docker, CI/CD
- Database:** MongoDB, MySQL, PostgreSQL
- AI/ML Fundamentals:** Image Processing, Feature Extraction, Computer Vision
- Other:** Data structures and algorithms, Github, Gitlab, Web Security, Authentication & Authorization
